**Responsibility Inquisitiveness Confidence Inspiration Respect**

Dear Parents and Carers. This week, the Reception class had a special visit from *Jaws and Claws*, a local animal charity who brought in some fascinating creatures for the children to learn about. It was a wonderful opportunity for the children to explore the world of animals and deepen their understanding of nature – find out more below. We also had a school meeting where we discussed the “Right to Be Safe”, which is part of our School Charter. This was an important discussion about how we can ensure every child feels secure, respected, and protected in our school community, which concluded with the children voting on proposed motions. And finally, some of our students have been writing a letter to the Parish Council this week to share their thoughts on the proposed removal of the oak tree from the recreational ground. We are rightly proud of their thoughtful contributions, and we look forward to hearing how the council responds. Have a lovely weekend, everyone. Julie Knock

**Our School Charter**

Each week we work as a team to demonstrate our responsibility and commitment to ensuring everyone at Brede Primary School has ...
