	<p><u>Rabbits Science</u></p> <p>On Monday Rabbits went to the Wildlife Garden for their Science lesson. The children looked at the wide variety of plants growing and used magnifying glasses to make detailed sketches. They used identification charts to name the plants they found ranging from dandelions and daisies to hydrangea and clematis!</p>
	<p><u>Foxes RE</u></p> <p>On Wednesday Foxes Class visited Trinity Methodist Church for their RE lesson focusing on the Golden Rule. David, the outreach worker and members of the church led the children in an activity outside before heading into the church to sing a song and finish with a prayer. This was the first visit for some of the children and we have another planned for later this term.</p>
	<p><u>Year 6 Kwik Cricket</u></p> <p>The Year 6 children enjoyed a Kwik Cricket session with Mrs. Dallaway and the Robertsbridge Year 10 Sports Leaders on Wednesday. The session began with a recap of the skills before playing some games. From this session, 6 children have been selected to represent the school at the Robertsbridge Cluster Tournament later this month.</p>

Parent Survey

Introducing Lucy Chedzoy, Parent & Carer Practitioner from me & my mind Lucy from the 'me and my mind' team, is hoping to run a session for parents and carers but would first like to know what would be most useful for you and your young person just now. Sessions could include things like helping your young person manage anxiety and worry or getting advice on sleep. Please click: [Primary Parents and Carers survey](#) to complete a quick 1 minute survey to find out what kind of things could be on offer and to say which ones you'd be interested in attending. For further information or to find out more please speak to Mrs. Bulgin.

What is ND Family Support?

Amaze ND Family Support is a service for families in East Sussex and Brighton & Hove who have children and young people under 25, pre- and post-assessment, for neurodevelopmental (ND) differences that include:

- autism

ND Family Support offers training and navigation, support groups and befriending for parents, and support and activities for young people via Amazing Futures.

What is ND?

The ND in our name stands for **neurodevelopmental**, as we support families at any point on the neurodevelopmental pathway; before, during and after assessment and diagnosis for a neurodevelopmental condition.

ND is also short for:

- **neurodivergent** - a way of describing people whose brains work differently in one or more ways from what is considered standard or typical (neurotypical)
- **neurodiversity** - the idea that everyone thinks and processes the world differently and all perspectives deserve to be seen, valued and treated equally

How do we support you?

Family Training & Navigation

We give you information and advice about neurodevelopmental differences, how the local pathways work and how to support your neurodivergent child. We give advice via telephone navigation calls, workshops and courses.

Who can use the service?

ND Family Support is for any East Sussex or Brighton & Hove parent carer with a child or young person under 25, at any stage on the neurodevelopmental pathway, from looking into getting a referral for assessment to post diagnosis/assessment.
