**Responsibility Inquisitiveness Confidence Inspiration Respect**

Dear Parents and Carers,

It has been lovely to welcome back all the children to school this week. They have come back very eagerly with a real desire to learn. We are going to have another very busy term, with lots of events and trips planned!

Have a lovely weekend everyone.

	<p><u>Star of the Week</u>  <b>Congratulations to our stars of the week:</b>  <b>Hedgehogs:</b> Ava enjoyed learning about repeating patterns this week and was inspired to create her own independently.  <b>Rabbits:</b> Dylan for working hard and ignoring distractions and for taking responsibility for his learning and presentation.  <b>Foxes:</b> Barnaby for being conscientious in every lesson and inspiring others to do the same.  <b>Owls:</b> Rocky for being responsible and working hard in all areas of the curriculum.</p>
	<p><u>Readers of the Week</u>            Congratulations to our readers of the week:  <b>Owls:</b> Oliver, Oscar J, Amelia, Daisy, Aliah  <b>Foxes:</b> Harley, Cali. Ava, James M, Darcey, Dexter  <b>Rabbits:</b> Charlie, Dylan, Edward  <b>Hedgehogs:</b> Isaac, Henry, Ava, Blake D, Bella H  <b>Gaston and Mini-Gaston go to:</b> Owls and Hedgehogs  <b>Udi goes to:</b> Owls for excellent work in D.T this week.</p>
	<p><u>Reading Certificates</u>  <b>Stage 3 for reading 100 times goes to:</b> Kelan, Lila S. Oscar J, Aliah  <b>Stage 4 for reading 150 times goes to:</b> Isaac</p>
	<p><u>Spring weather</u>            We have definitely seen a little more sunshine this week, but have still been caught out by the odd rain shower and persistent chilly wind. Please could children come in with a coat each day as some days we seem to see every season!</p>
	<p><u>Owls Class Cam Toys</u>            This week children in Owls Class have been finishing their cam toys. Mylah explained what they had been doing very articulately!            'A cam toy is a very creative way to let your imagination out but still include your learning. Our class topic is rainforests so we made ours based on a rainforest background with a rainforest animal. A cam mechanism converts rotary motion and linier motion. I absolutely loved making my cam toy!'</p>
