Responsibility Inquisitiveness Confidence Inspiration Respect

Dear Parents and Carers,

It finally feels like spring has arrived! We have been truly blessed with glorious sunshine this week, providing the perfect backdrop to the host of vibrant daffodils now surrounding the school. The school turned into a sea of red today as the children and staff came together to support Comic Relief. In other exciting news, we are bursting with pride for Cora, who has been selected for the Glyndebourne Summer Festival performance of *Die Entführung aus dem Serail*. This is a huge achievement, especially considering the hundreds of talented children who auditioned. Congratulations, Cora!

Have a lovely weekend, everyone.

Julie Knock.

Green Explorers Friday – Farm School with Miss Nugent

As part of our Green Explorers Friday, the Rabbits class took a wonderful walk up the road to our local Burnt House Farm. During our visit, the children had the opportunity to feed and learn about the cows with the help of Lauren Morris. We also explored three types of crops grown locally—barley, wheat, and oats—and discussed how they're used.

A highlight of the trip was a live tractor demonstration from farmer Scott Morris, who showed us how the cows are fed (see photos!). We had a fantastic time, full of hands-on learning and are incredibly grateful to the Morris family for welcoming us and giving the children such a memorable experience.
