Dear Parents and Carers. The children have joyfully been reflecting on what has been a fantastic term of Green Explorers. From exciting team-building games to creating impressive London cityscapes out of Lego, and even enjoying a tractor visit, the pupils have enthusiastically shared their favourite moments and experiences. Also, a huge thank you to the Brede PTA, who hosted their first event of the academic year — a wonderfully successful and fun Spooktastic Halloween Disco in the village hall. The children have been brimming with joyful recounts all day of both the disco and their many adventures this term! Have a lovely half term break, everyone. Mrs Knock

### Owls visit to trinity Methodist Church

This week, Owls Class had a fantastic trip to Trinity Church as part of their lessons on Creation in RE. They set off on a fun nature hunt, searching for the lovely natural treasures that show off the beauty of our environment. While exploring, the children enjoyed chatting about why it's so important to take care of our wonderful world. The session was filled with joyful singing and listening to uplifting songs, making it a truly memorable experience for everyone. Back at school, the class were inspired to write their own acrostic poems using the word "Creation," showcasing their creativity and understanding. To top it all off, Trinity Church kindly gifted the class the book "God's Brilliantly Big Creation Story,"

### Year 6 Sports Hall Athletics

On Tuesday we did a sports event where we did 6 different events, one of the events was wall jump, I really enjoyed this as you had to jump up and see how high you could get. Another event was called hop skip and jump. This one was also very fun because we had to see how far we could go with only one hop, one skip and one jump! The other events were throwing a ball, running six times as fast as we could, how many times you could jump side to side and the last one was a long jump. Overall, I enjoyed all of the activities with Mrs. Dallaway and the Year 10 Sports leaders from Robertsbridge Community College.
