

Brede Bulletin

4th March 2022

Responsible – Inquisitive – Confident – Inspired - Respectful

Dear parents and carers,
WOW - What a great effort the children made for World Book Day! On Thursday we spent the day guessing from the cryptic costume clues – it was really interesting to find out just how many books we had read and could identify the characters from. Can you work out some of the clues from the hints below:

- A thick gold chain?
- A chocolate cake?
- A sauce pan?
- A horse's head?
- Some Turkish Delight?

Take a look at the photographs at the end of the bulletin for more clues. It was also wonderful to see so many parents of children in Hedgehog Class attending our 'Stay and Read' event. The children absolutely loved sharing their reading with Mums and Dads, and the buzz in the classroom for the rest of the day was infectious! We look forward to hosting more events like this in the future – keep reading our future bulletins to find out more.

Parent Coffee Morning

Please join us on Wednesday 16th March for a parent coffee morning. This will take place straight after drop-off and is a great opportunity to socialise with other parents. Mrs Elliott and Mrs Knock will also join for some of the time, which will be an opportunity to discuss an idea of an end-of-term treat for the children – thank you to the parents who have already e-mailed to offer support.

Topics for Term 4

This term the topic titles in each class will be:

Owls: **A Child's War**

Foxes: **Flow**

Rabbits: **Beachcombers**

Hedgehogs: **Bright Lights, Big City** – linked to the Great Fire of London

We are currently updating the school website with information to support our topics, so please do take a look to find out more.

World News

Understandably, the children across the school are concerned about the current situation in Ukraine. As a school, we have not discussed the events with the children, but have sensitively and factually responded to questions as they have arisen. We will decide how best to move forward should the situation develop further.

If you would like support about how to talk to your children about it at home, you may find this Government [website](#) useful. The Government have created a site to support schools and families when talking to children. Here are some charities and organisations which you may also wish to view:

Reminder: Opening the Gate in the Morning

The gate will be from 8:40 for parents to walk their children onto the playground to reduce congestion near the road. The school will then be opened at 8:45 with a ring of a bell for the children to go inside. We do ask that parents remain with their children until the bell is rung, as the children will not be supervised by staff in the playground.
