## 8<sup>th</sup> July 2022

**Responsible – Inquisitive – Confident – Inspired - Respectful**

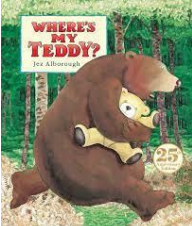

Dear parents and carers,

This week Year 6 teachers and school leaders nationwide were on tenterhooks awaiting the Key Stage 2 SATs results, and we are delighted to share that Brede have done incredibly well. We will publish information on our school website once the information has been released to the children and their families via the reports that will be coming home next week, but we can tell you that the results reflect the hard-work undertaken by the children and are well deserved. Also linked to assessment, but from a slightly different angle, it was very refreshing to hear some of our children on the local news challenging the need to test children at all – we think we have the making of some future Parliamentary Education Ministers...

In school there has been the usual hive of activity, with fire safety talks, music recitals and teddy bears picnics – read more below. Hopefully we will see you all next week at Sports Day and our Year 6 parents on Friday for our Leavers' Assembly,

*Mrs Elliott & Mrs Knock*

	<p><b>Fire Safety Talks</b> Michael from East Sussex Fire and Rescue Service spoke to children in Rabbits and Owls on Monday. Rabbits learned slogans to help remember how to keep safe around matches, lighters, hot drinks, etc. They also learned what to do if they needed to call the fire service as well as the role of the coast guard. Owls, in addition to fire safety, learned about railway safety and the meanings of signs and symbols associated with road safety.</p>
	<p><b>Online Safety</b> Please take a look at these websites which offer top tips for parents and strategies to keep your children safe online when at home: <a href="https://www.getsafeonline.org/personal/article-category/safeguarding-children/">https://www.getsafeonline.org/personal/article-category/safeguarding-children/</a> <a href="https://www.thinkuknow.co.uk/Keeping-children-safe-online/">https://www.thinkuknow.co.uk/Keeping-children-safe-online/</a>   NSPCC</p>
	<p><b>Teddy Bears' Picnic</b> At lunchtime on Wednesday, Hedgehogs were joined by children from Country Buttercups for a picnic and everyone brought along their favourite soft toy. There was a buzz of excitement as they headed across to the recreation ground and they finished off by listening to the story 'Where's my teddy?'</p>
	<p><b>Violin recital</b> The whole school was treated to a selection of pieces from children who are currently learning to play the violin in school. If your child is interested in playing an instrument in please take a look at the letter being brought home by your child this week.</p>
	<p><b>Beautiful Butterflies</b> Huge thanks to Mrs Fellows for donating a butterfly kit to Hedgehogs. Over the past few weeks the children have closely observed this fascinating lifecycle. This week they have finally emerged from their cocoons! Some have landed on the children's hands giving them a close up view. They have then created some beautiful art work which is now on display in our corridor.</p>
	<p><b>Parent Governor</b> Our enthusiastic Governing Body need your help! The Governors are looking to recruit a parent Governor to contribute to strategic decision regarding the school. No prior training is required, and full support will be given by the other Governors as well as East Sussex training if required. Please e-mail <a href="mailto:ahanney@brede.e-sussex.sch.uk">ahanney@brede.e-sussex.sch.uk</a> for more information.</p>
	<p><b>Parent Information</b> <b>Sun safety:</b> As the sunnier weather continues, please ensure your child has sun cream applied or is able to apply it themselves.
