

Brede Bulletin

9th September 2022

Dear parents and carers,

Welcome back. It's been lovely to see everyone. We hope you all managed to keep well and enjoy the summer break. A warm welcome to our new families and children, you all looked very smart coming into school. I also noticed some very proud siblings looking forward to showing their brothers and sisters the ropes. Here is the first bulletin of the year. For those new to Brede primary, the bulletin comes out on Fridays and contains a brief update of the week, alongside dates and information. Happy reading.

Mrs Knock

	<p><u>Star of the Week</u> Congratulations to our stars of the week who have made a positive start Owls: Noah P-F for making a fantastic start to the term and completing all of his work. Foxes: Cael C for making a positive start to the term by trying hard and completing his work to the best of his ability. Rabbits: Elsbeth H for making a positive start to the year, working very hard and learning the new classroom routines with ease. Hedgehogs: Mostyn D for making a positive start to the year. Mrs Burrows has noticed the lovely smile he is bringing in to school each morning!</p>
	<p><u>Readers of the Week</u> This will commence next week.</p> <p>Today we launched the "Get the reading bug!" initiative once again. We will be encouraging children to read as often as possible at home, so that Gaston and mini Gaston are able to land in their classes each week. We will also be issuing readers of the week stickers and the winning classes for each term receive a brand new book for their class library. Children from years 1 to 6 will be given their new reading book on Monday. Bring it into school every day and help your class to Get the Reading Bug!</p>
	<p><u>Morning Assembly</u> Singing is back on since the Covid restrictions have been lifted. We made the most of being outside. What a fun and lively Assembly it was!</p>
	<p><u>School dinners/packed lunches</u> The price of a dinner is now £2.42. Please remember that <u>all</u> meals prepared by the kitchen must be booked through Parentpay by 8.30am. Sufficient funds must be available or the kitchen will not be able to accept the order. We remain a nut free environment due to allergies, so please do not include anything containing nuts in your child's packed lunch.</p>
	<p><u>Parent Information</u> <u>Parent Consultations</u> The first of four parent consultations will be held week beginning 17th October (both face to face meetings or telephone options will be offered as many parents found this more convenient last year). Information will be sent out in due course. In the meantime, if you need to speak to someone, senior staff are on the</p>

	<p>playground each morning and teachers are available for brief chats at the end of the day. Appointments can also be made via the office if you have something requiring a longer discussion. We are always happy to meet you.</p>
