

BREDE BULLETIN

Dear Parents/Carers

You may have noticed that our website (www.brede.e-sussex.sch.uk) has a new look. It should now be much easier to navigate. Class teachers have added information about this term's learning journeys which will be updated with photos as the children's learning progresses.

Following our Parent Forum meeting at the beginning of term, it was suggested that parents might like the opportunity to meet informally for a coffee and chat. The school is happy to host this on Wednesday 22nd September (9-10am) straight after drop off in the Acorn room, so please come in via the Acorn room door on the playground. Everyone is welcome. Jessica Thurston (Vinnie & Tommy's mum) and Molly Dutton (Poppy-Jayne's mum) will be on hand to help.

Parent Information

Parent Forum

This term's parent forum meeting was very productive. We discussed plans on how the forum can be part of Children in Need and this year's Christmas Fair. We also came up with the idea of a parents' coffee morning held in the Acorn room, this would be hosted from morning drop off. This would provide an opportunity for parents only, to gather and have a chat around a cuppa. It would be lovely to see as many of you there as possible.

Thank you
Jessica Thurston

Parent Consultations

The first of three parent consultations will be held week beginning 18th October (both face to face meetings or telephone options will be offered as many parents found this convenient last year). Information will be sent out at a later date. If you need to speak to someone about any concerns, senior staff are on the playground each morning and teachers are available for brief chats at the end of the day. Appointments can be made via the office if you have a concern requiring a longer discussion. We are always happy to meet you.

Parent Questionnaire

We would really appreciate your feedback if you can spare the time to fill in the copies sent home with children. Many thanks to those parents who have already returned them.

Please contact the office if you would like more information about the governing body and its strategic role.
