

English/Phonics

This term we will be learning to use exclamation marks correctly in our writing..

We will be listening to the story of Claude in The city and learning to write a newspaper report and a story.

We will be continuing on phase 5 in our phonics.

Maths

This term we will about addition and subtraction within twenty.

We will also be learning to recognise and order numbers to 50 and how to count in twos.

P.E

We will be having weekly P.E sessions with our specialist PE teacher to help develop our agility, balance and co-ordination. This term our focus is gymnastics.

Humanities

This term our focus is Geography. We will be learning about the United Kingdom and the four countries which make up the United Kingdom. We will be learning about the city of London and the different landmarks you find there.

Science

We will be learning about the season of Winter and how it is different to the season of Autumn. We will be using our senses to explore what winter is like and looking at the weather patterns of winter.

Bright Lights Big City!

PSHE/R.E

We will learn to about being kind and how to be a good listener. We will also talk about our own bodies. We will be learning about the story of Purim in R.E.

Art and Design/Music

In Art we will be creating our own cityscape pictures based on the work of Claude Monet.

In music we will be learning to find the beat of music and learn how to appraise different pieces of music.

Computing

We will learn to follow and create simple instructions on the computer. We will also consider how the order of instructions affects results.

Home Learning:

Our Key Vocabulary this term is: London, city, United Kingdom, Winter, landmarks, country, Union Jack, Royal family. Please talk to your children about these words and their meaning. I will be setting weekly English and Maths home learning but please choose at least one of these projects alongside this term.

Find England, Scotland, Wales and Northern Ireland on a UK map.

Choose one of the countries of the UK to find out more about.

Design and make your own Union Jack flag.

Learn how to sing the National Anthem for the United Kingdom.

Go on a winter walk and look for signs of Winter.

Learn about the Royal family. Who is in the Royal family? What do they do? Where do they live?
