

English/Phonics

This term we will be learning to use a full stop and a capital letter correctly in our writing. We will be learning about question marks. We will be listening to the story of Dear Dinosaur and learning to write a letter.

We will also be moving on to phase 5 in our phonics.

Science

We will be learning about the five senses and how to perform simple tests. We will also be learning to identify and classify animals based on different criteria.

Maths

This term we will learning to subtract

We learn about 2D and 3D shapes. We will learn about numbers to 20.

We will compare and order numbers.

P.E

We will be having weekly P.E sessions with our specialist PE teacher to help develop our agility, balance and co-ordination. This term our focus is dance and movement.

Humanities

This term our focus is History. We will be finding similarities and differences between different times and learning what a fossil is. We will be learning about Mary Anning and learning about possible theories of how the dinosaurs became extinct.

PSHE/R.E

We will learn to about being resilient and how to be a good friend. We will listen to stories from different religions about friendship.

We will also learn about caring for the environment and who to call in an emergency.

We will be learning the Christian nativity story and performing it to parents.

Dear Dinosaur

Art and Design/Music

In D.T we will be designing and making a junk modelling dinosaur.

In music we will be learning to sing and perform our Nativity songs.

Computing

We will learn to sort and group using the computer and how to create a pictogram.

Welcome to Hedgehogs Class! We have a very busy term ahead.....

PE - Please make sure your child has a P.E kit in school every day. (Please check to make sure that all items of uniform are labelled.)

Home learning - I will be sending out termly home learning to support what children are doing in school.

Toys - It would be appreciated if you could discourage your child from bringing toys to school, as they can sometimes cause unnecessary distractions and on occasions upset if a favourite item is lost or damaged. We would however encourage children to bring in any awards, medals, photographs etc. so we can celebrate achievements/events outside of school.

Drop off - Please encourage children to come in independently in the mornings.

Outdoor Clothing - Children will need wellies in school to take part in our outdoor learning sessions when it gets muddy.

Reading - Please make daily reading a priority. It really does help with fluency and confidence. Please encourage your child to bring in their class library book on their designated day so we can change it.

Should you have any thoughts, contributions or concerns - please do not hesitate to leave a message with the school office so that I may arrange a mutually convenient appointment to meet with you.

D.T project - We will need toilet roll tubes for our project this term. Please save them and bring them into class.

Thanks and best wishes,

J. Burrows
