Maths

This term we will learning to subtract

We learn about 2D and 3D shapes. We will learn about numbers to 20.

We will compare and order numbers.

P.E

We will be having weekly P.E sessions to help develop our agility, balance and co-ordination. This term our focus is gymnastics.

Humanities

This term our focus is History. We will be finding similarities and differences between different times. We will be learning about Guy Fawkes and the Gun Powder plot.

PSHE/R.E

We will be learning about how to care for the environment and about the importance of money and how to look after it.

We will be learning the Christian nativity story and performing it to parents.

Boom, Bang, Whizz!

Science

We will be learning about the four seasons and how we move from autumn to winter. We will learn about animals that hibernate and we will be recording the weather.

Art and Design/Music

In D.T we will be designing and making a rocket.

In music we will be learning to sing and perform our Nativity songs.

Computing

We will learn to sort and group using the computer and how to create a pictogram.

Welcome back to Hedgehogs Class! We have a very busy term ahead.....

PE - Please make sure your child has a P.E kit in school every day. (Please check to make sure that all items of uniform are labelled.)

Toys - It would be appreciated if you could discourage your child from bringing toys to school, as they can sometimes cause unnecessary distractions and on occasions upset if a favourite item is lost or damaged. We would however encourage children to bring in any awards, medals, photographs etc. so we can celebrate achievements/events outside of school.

Kitchen rolls - This term we will be making rockets so we would appreciate any spare kitchen rolls being sent in to school please!

Outdoor Clothing - Children will need wellies in school to take part in our outdoor learning sessions when it gets muddy.

Reading -Children need to read their books each evening and bring them into school daily. Please record in the reading record books when your child has read. Children each have an assigned day for changing their class library books, if you could encourage your child to bring their library book in on their assigned day it would be appreciated.

Should you have any thoughts, contributions or concerns - please do not hesitate to leave a message with the school office so that I may arrange a mutually convenient appointment to meet with you.

Thanks and best wishes,

J. Burrows
