# **Brede Primary School Special Category Data Policy**

## **Summary**

This policy outlines the school's obligations under Data Protection Legislation with regard to the processing of Special Category Personal Data. This should be read alongside the school Data Protection and Information Security policy, and the privacy notice.

## **1. Policy Statement**

Brede Primary School is committed to ensuring that all personal data it processes is managed appropriately and in compliance with the General Data Protection Regulation (GDPR) and the Data Protection Act 2018 (DPA 2018) (collectively referred to as "DP legislation"). The school recognises its duties to protect all personal data but in particular Special Category Personal Data as defined under Data Protection legislation i.e. information that may identify an individual's:

- racial or ethnic origin,
- political opinions,
- religious or philosophical beliefs,
- trade union membership,
- health,
- sex life/orientation
- genetic/biometric identifier
- criminal convictions/offences

The school will ensure that all Special Category Data is captured, held and used in compliance with this policy. Any proposed new use of Special Category Data will be subject to a Data Protection Impact Assessment.

For all uses of Special Category Data, the processing will be included in the school's Record of Processing Activity (ROPA). This will include a description of the lawful basis for processing and confirmation that the appropriate data retention rules are being applied.

Failure to comply with this policy may be subject to disciplinary procedures.

## **2. Responsibilities**

The Headteacher has overall responsibility for ensuring compliance with this policy and with DP legislation across the school.

The Data Protection Officer (DPO) has responsibility for advising the organisation on data protection matters, and for monitoring compliance with this policy.

All staff are responsible for understanding and complying with relevant policies and procedures for processing and protecting special category data.
