

Rabbits

This half term, we'll find out about how food is grown, transported and sold from around the world. We'll take a look at some samples of fruits and vegetables so we can investigate them using our senses. Will we like everything we taste? We'll try different types of fruit and vegetables, and exploring preparing these foods ready to be eaten. In Geography, we'll look at where our food comes from and focus on one particular ingredient and explore how it is produced and transported to end up on our supermarket shelves. We'll follow recipes and learn about foods from around the world. We shall also write our very own instructions to create a recipe for our own dish. We will design and make our very own smoothies based around the Eatwell guide. Our science work will focus on how we can eat and stay healthy as well as exploring how animals and humans grow and develop throughout their lifetimes. In R.E. and music, we will be learning about the Christian festival of Christmas. We'll also learn about the fascinating discoveries made by the physicist James Lind.

Finally, we'll invite you to sample some of the delicious foods we've made. We hope you'll like them!

Help your child prepare for their project

This is a perfect opportunity to taste new foods and have a go at following recipes. Why not bake healthy muffins or prepare a slow cooker stew together? You could also sample adventurous foods from around the world. Alternatively, you could read the packaging of foods in your fridge to find out where they have come from.

Learning journey linked subjects: Literacy, Geography, Science, D&T

Homework

Homework will be set on a Wednesday and is due in on a Monday.

Alongside paper homework, pupils are expected to complete their allocated activities on Lexia (if they have been given an account) and Mathletics (every child has an account). An adult will be checking on your child's progress each week and will be setting work that will support your child's learning in school.

Spellings will be set each week and tested the following week.

Pupils are expected to read their banded reading book at home **with an adult** 4-5 times a week. Dojos will be awarded to pupils that complete this reading each week.
